

UNDERGRADUATE PROGRAMS

HKUST's pioneering Academy of Interdisciplinary Studies brings together two or more different academic disciplines to provide a unique educational experience featuring multicultural cohorts, high-powered curricula across schools, and rich personal and professional enrichment activities to nurture “n-shaped” talent—students with deep expertise in more than one area and a broad set of collaborative skills.

BEng/BSc and BBA Dual Degree Program in Technology & Management (T&M-DDP)

T&M-DDP offers high-caliber students an inspiring opportunity to gain **two internationally-recognized degrees in five years**: Bachelor of Engineering (BEng) or Bachelor of Science (BSc), and Bachelor of Business Administration (BBA).

JUPAS code: JS5901

BSc in Environmental Management and Technology (EVMT)

Accredited by HKIQEP, EVMT nurtures environmental and sustainability professionals in diverse sectors through a unique integration of **business acumen with environmental management and technology**, along with practical training.

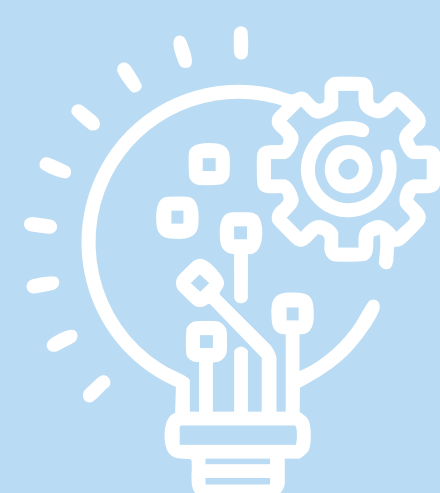

JUPAS code: JS5812

BSc in Individualized Interdisciplinary Major (IIM)

IIM empowers students to **design an interdisciplinary major tailored to their intellectual interests** by combining courses across various departments and even universities.

JUPAS code: JS5712

BSc in Innovation, Design and Technology (IDT)

IDT cultivates a new generation of **innovators and technologists through design thinking, solid technical skills, and an entrepreneurial spirit** by adopting team-based and project-based learning for hands-on development.

JUPAS code: JS5711

BSc in Sustainable and Green Finance (SGFN)

SGFN equips students with interdisciplinary knowledge and skills in both **Business & Finance and Environment & Sustainability** areas to fill the global talent gap for top level green and sustainable finance experts.

Jointly offered by the School of Business and Management and the Division of Environment and Sustainability

JUPAS code: JS5822
