SENG programs

<u>Choices</u>	<u>Ranking Formula</u> Straight grade point average of:
CBE / CIVL / ECE / IEDA / MAE	<i>Required</i> (4): MATH1013, LANG1407, COMP1023, the better one of PHYS1112/CHEM1012
	<i>Elective</i> (1): The best letter-graded course of 3 credits or more that is not counted among the required four
CSE / CPEG	<i>Required</i> (4): MATH1013, LANG1407, COMP2011/COMP2012H , the better one of PHYS1112/CHEM1012
	<i>Elective</i> (1): The best letter-graded course of 3 credits or more that is not counted among the required four

Notes:

1. Courses must be taken either in Fall, Winter and Spring 2025-2026 in HKUST
2. If credits are transferred for the required course(s), they will be replaced in the calculation by more electives (any letter-graded course of 3 credits or more not already used)
3. If you have taken both PHYS1112 and CHEM1012, the better one will be counted in the required 4 courses. The worse one can be used as the elective if it is the best of the remaining courses taken.
